# Vicar's Message

**My Dear St. Thomas Family,**  
**Grace and peace to you in the name of our Lord Jesus Christ.**

I give thanks to Almighty God for His abundant grace and guidance throughout the past month. I also sincerely thank all our parishioners for your active participation, wholehearted support, and cooperation in the various programs and activities of our parish. Our house visits are continuing, and it has been a blessed opportunity to meet, pray, and fellowship with our families. I was also grateful for the opportunity to participate in the **Diocese Clergy Family Conference** and the **Diocesan Sevika Sangham Conference** held in Pennsylvania. I thank God for these opportunities of fellowship, learning, and spiritual renewal.

The **renovation and capital improvement work of our church building** is progressing well, and we hope to complete the work by the end of this month. I express my heartfelt gratitude to everyone who has supported this important work through your prayers, encouragement, and generous contributions. If anyone would like to contribute or be part of this capital improvement project, I kindly request you to do so at the earliest. Your support will help us preserve and improve our church facilities for the benefit of present and future generations.

**October will be a special month of Conventions and Family Fellowship** for our parish. We are blessed to host the **RAC Convention for one day at our church**. Our **Parish Convention and Family Sunday** will be held from **October 23–25**, with the theme and programs designed to strengthen our faith, families, and commitment to Christ. Following this, our **Family Retreat** will be held from **October 29–31** at the **Blue Mountain Christian Retreat Center, Pennsylvania**. I warmly encourage every family to participate actively in these programs. Let us make this month a time of spiritual renewal, deeper fellowship, and strengthening of our families in Christ.

May the Lord continue to bless our parish, strengthen every family, and guide us to grow together as a Christ-centered and mission-oriented community.

With prayers and blessings,

**Jubin Achen**

**Glory be to the Father, Son and Holy Spirit - One True God Amen !**

Dearly beloved in Christ,

As we enter the month of October, we give thanks to God for His faithfulness in bringing us this far through the year. Here in New York, the season is changing all around us. The leaves are turning across the Hudson Valley, the evenings are growing cooler, and many of our youth fellowships and family fellowships will soon make the trip upstate to pick apples and pumpkins.

Those orchards remind us that a harvest takes time. An apple tree can take years before it bears any fruit, and every season it has to be pruned and cared for while the farmer waits, trusting that something is happening within the tree even when nothing can be seen.

It is much the same with us. Many of us have been praying for a long time for a child who has drifted from the Church or for a marriage under strain. Some of our young people are working hard to hold onto their faith at school or college, among friends who do not share it. And there are days when we wonder whether any of it is making a difference.

St. Paul writes to the Galatians, "Let us not become weary in doing good, for at the proper time we will reap a harvest if we do not give up" (Galatians 6:9). That proper time is God's to decide. Paul knew this from his own ministry, reminding the Corinthians that one person plants and another waters, but it is God who makes it grow. 1 Corinthians 3:6.

In the same chapter, Paul encourages us to do good to all people whenever we have the opportunity, especially to the family of believers. Galatians 6:10 This month, perhaps there is someone who is homebound you could visit, or a member you haven't seen in church for a while whom you could call.

Much of what we enjoy today was sown by others. I often think of the first Mar Thoma families who came to New York. Many of them arrived as nurses and students, worked long hospital shifts, and raised their children far from grandparents and extended family. They gathered for worship in rented halls and church basements and gave generously to build parishes they could only hope their children would one day fill. We worship in those churches today because they did not give up. In the same way, some of what we sow this year may not bear fruit until long after us, in the lives of those who follow.

As we move through these last months of the year, let us ask ourselves: Where have I grown weary in doing good, and where is God asking me to keep sowing?

May God bless us all with patience in the waiting and joy in the harvest.

With prayers,

**J. Varghese Achen**
